### **MYTHIC SIGNATURES: THE ETERNAL LIFE OF MYTH IN PSYCHE**

Explore the interface between myth and psyche through the lens of your astrological birth chart. Discover how the wisdom in the timeless stories of the ancient gods and goddesses continues to guide your life. The focus of this class is on archetypal and personal mythology as it applies to individual charts, rather than upon technical astrology. However a simple basic knowledge of the structure of the chart is useful. A beginner's tutorial is available for free on Tuesday evenings at 7pm for those who register for this class.

Each week we will discuss the mythic biographies of various cross-cultural deities that share the names of planetary bodies and their corresponding psychological principles, illustrating how these motifs manifest in the life experiences of each participant as depicted through the birth chart.

**Tuesdays, Jan. 20 – Mar. 3, 2009** (no class on Feb. 24), **7:30-9pm, \$195**
